

### About the Cover

On June 20, 1976, during the national bi-centennial year, the Town Hall was re-dedicated after an extensive renovation. The Opera House was converted to offices which allowed for an expansion of the Police Department and Library. Pictured Front Row (left to right): Thomas J. Callahan, Sr., Selectman, Bruce Crane, Franklin Couch, Chair of Dalton Bicentennial Commission, William J. Glendon, Selectman; Back Row (left to right): George Stack, Rev. George Higgins, John W. Bartels, Chair Board of Selectmen, Irv Witham, Chair of Town Hall Renovation.

The rear cover shows the program for the dedication of Town Hall on Monday, February 6, 1893. One hundred and five years after its construction and thirty-two years after its renovation, the Town Hall is again undergoing improvements: in December 2007, the Communications Department was relocated from the Fire Station to the Police Station and exterior masonry repairs new windows and re-roofing will be completed in 2008.

The cover of this year's Annual Report is printed on Crane's Cover Fluorescent White provided to the Town of Dalton by Crane & Co.
